

BRIDGEWATER HISTORICAL SOCIETY

Fall Issue 2017

Published once each beautiful Bridgewater season!

Program Cancelled!

We were all looking forward to a Christmas Carol program Sunday Dec. 3 with Adair McConnell and others performing. He will now be unable to perform, and we are cancelling the program. We apologize greatly and wish we had a better option, but we do not at this time.

2017 BANQUET IS ONE TO REMEMBER

A beautiful spring evening at Sunny Slope Farm was the venue for the 5th anniversary celebration of the Bridgewater Historical Society. The well attended event was enjoyed by members and their guests on May 18th. The buffet dinner was served on vintage china by Jennifer Hildebrand and Rebecca Wright, who were helped by the rest of the gracious Rawley family. Guests of the Society included Bill and Gloria Heishman and Dynamic Aviation's Avis Foster and speaker Karl Stoltzfus.

The society was much honored to have for their after-dinner speaker CEO of Dynamic Aviation Karl Stoltzfus. Mr. Stoltzfus presented a video of the history of Dynamic Aviation and personal family stories on the development of the world-renowned aviation company.

The meeting was concluded with the annual business meeting and a list of officers for the following year: Sharon Kline, President; Larry Elkins, Vice President; Adair McConnell, Secretary; Terry Slaughbaugh, Treasurer.

BHS APPRECIATES COTY WALTON INTERNSHIP

Coty Walton, senior History and Political Science major at Bridgewater College, ends his time at the museum as our fall intern. Coty has helped by bringing new ideas to our fall displays and assisting in a much needed inventory of storage display items. Coty has also assisted Adair McConnell in setting up a computer program for obituary notices in our archives. We've enjoyed his ideas and insight this fall.
